Helloooo Friends,

Well, you're in our home, we've just had a quick conversation and you're about to have a meal with us, if that's not friendship we don't know what is!

You order food, we make the food, you enjoy the food that you order and have a good time, thats the goal .Let us know if anythings happen along the way that makes you less happy, we are ready to run and jump to sort it out for you asap. Your happiness is our number 1 very top priority, loveeee you

If you come here often then we guess you know our story already so no need to read further but you have read this far soooooo..... 😊 Let us introduce ourselves 😊 Bikini Bottom carries the souls of us when we were 23 and 27, spatula in hand we bring with us the spirit of a hard working Spongebob, the cartoon cutie pie world that starting this whole adventure. "It's not about winning, it's about fun"

"If you believe in yourself, and with a tiny pinch of magic, all your dreams can come true" Spongebob. The magic is you, all of you, if seeing you all here now isn't magic then what is. Thanks for being the magic and making this crazy dream come true. Just to have you walk through our doors, sit here with us and give us a chance to keep making the OG secret formula all over again our dream is already fulfilled

The place your sitting in is the OG Bikini Bottom, this place is us, young and free, full of flaws but there's beauty, hopefully we keep growing the beautiful part. Our kitchen has a lot of influence by Montrealer Vietnamese Alex Le, also co-founder, hence the poutine you'll see shortly. He left us early 2022 for a better place and we would love to let you all know about the legacy that we carry on

We hope to be here for a long time and your reading this message many years down the line. All we want is for you to leave us full and happy, and... repeat!

**Love you long time,
Bikini Bottom Express Squad**

Bennies
